

Delivering Your New Play Facility Health & Safety Qualifications!

Rynat, your trusted training partner leading the industry in Ofqual regulated training. Rynat specialises in equipping personnel responsible for the design, installation, management, operation, and maintenance of play areas, activity facilities, skate parks, fitness zones, and equipment.

In Collaboration with Transcend Awards and our training experts at Ten Training, we proudly introduce the new Transcend, Ofqual regulated Awards Certificates and Diploma courses. Elevate your skills and enhance safety standards in the design, installation, operation, and maintenance of play areas and specific activity facilities.

Courses Offered in 2024

Level 1 Award

Legal Duty to Inspect Playgrounds and Activity Facilities

Level 2 Award

Routine Visual Inspection of Playgrounds and Activity Facilities

Level 3 Award

Operational Inspection of Playgrounds and Activity Facilities

Level 5 Certificate

Maintaining Safety Standards in the Design, Installation, Inspection and Maintenance of Playgrounds

Level 5 Certificate

Maintaining Safety Standards in the Design Installation, Inspection and Maintenance of Playground and Activity Facilities

Level 5 Diploma

Achievable Upon Completing Both Level 5 Certificates

Recognition of Prior Learning: Existing BTEC Level 3 qualified personnel can fast-track to the Diploma by completing the Level 5 Certificate for additional facilities, including a playground update to cover revisions.
